Elena is so talented! She made me more beautiful than I could have ever imagined on my wedding day! My wedding was not a typical wedding in a church or on one of the local Key West beaches, I was heading out on a 45 minute, very windy boat ride to a deserted island with no place to touch up my hair and makeup. I wasn't sure what I was going to look like after I got there, so I went ahead and had some photos taken before the trip out to the island. I had originally wanted to have my hair half up and half down, because I don't ever wear my hair completely up because I don't really like how I look that way. When Elena found out my plans for the boat ride, and due to the humidity, she recommended an up do and assured me I would look beautiful!! I'm so glad she talked me into an up do because not only was my hair absolutely beautiful and my makeup flawless, but it also held up to a very windy 45 minute boat ride out to and from our wedding spot! It looked just as beautiful once I arrived on the island as it did when I left the salon. I have gotten the most wonderful compliments on how perfect my hair and makeup looked and how beautiful I was on my wedding day! I work at a great salon, with many talented hair and makeup artists, and even they were impressed with what she did to my hair and makeup! My husband said I looked like I was 17 years old again!! Elena truly is an artist and we thank her so much for making our wedding day so special by making me look so beautiful!! Thank you!!!! April
